

Methamphetamine Investigative Workshop

September 15–17, 2010 ♦ Lawrenceville, Georgia (Atlanta area)

About the Training:

The manufacture and distribution of methamphetamine is one of the fastest-growing drug problems facing the nation. The rapid spread of methamphetamine from the western United States to other parts of the country is an increasing challenge for law enforcement personnel nationwide. The covert nature of drug laboratories and the hazardous chemicals involved in methamphetamine drug operations pose unique challenges for law enforcement managers and investigators. Investigations must be properly managed to ensure effective and safe outcomes.

In response to this challenge, the workshop, designed for state and local law enforcement officers, addresses the operational aspects of managing methamphetamine investigations, as well as problem areas specific to these types of investigations.

Training Objectives:

- ♦ The Methamphetamine Problem
- ♦ Manufacturing Methamphetamine/Clandestine Laboratories
- ♦ First Response and Lab Scene Procedures
- ♦ Investigation Techniques
- ♦ Raid Issues
- ♦ Drug-Endangered Children

No Tuition or Registration Fee:

Enrollment is limited to sworn law enforcement personnel. There is no registration fee. Travel/per diem expenses are the responsibility of the attendee. Training is coordinated by the Institute for Intergovernmental Research® (IIR) and made possible through BJA funding to IIR. Register online at www.iir.com/registration/meth.cfm.

Training Cohosted by:

- ♦ Atlanta High Intensity Drug Trafficking Area (HIDTA)
- ♦ Georgia Bureau of Investigation
- ♦ Georgia Criminal Justice Coordinating Council
- ♦ Georgia Narcotics Officer's Association
- ♦ Regional Organized Crime Information Center® (ROCIC)
- ♦ United States Attorney's Office, Northern District of Georgia

In Cooperation With:

- ♦ National Narcotic Officers' Associations' Coalition

Training Location:

Gwinnett County Police Training Center
854 Winder Highway
Lawrenceville, GA 30045
(770) 339-2602, extension 5500
